Re: Vintage Wine Shop

Dear Mr. Vasilev:

I am pleased to let you know that the full membership of the Worcester Square Area Neighborhood Association voted overwhelmingly at our July 2004 meeting to support your proposed wine shop, Vintage, in the Minot Hall building on Washington St.

Per our discussion and the plans you outlined for your shop, we fully support your plans for an upscale wine and beer store, as well as your plans to have a coffee and pastry, breakfast take-out operation. We are also very excited about your potential future plans to add outdoor seating when weather permits.

We hope that you will have success in coordinating the trash removal and upkeep of the sidewalk area with the other commercial spaces on the same block.

Good luck, and we look forward to your grand opening!

Sincerely,

Mickey Northcutt
